LI JI NOODLES 黎记

We are situated in Jiangmen City, Guangdong, is a large-scale food processing enterprise, specializing in cutting-edge R&D, and production and sales. Occupying over 10,0000 square foot, our team of 100+ professionals handles everything from production to sales, including formal food import and export rights.

We utilize advanced production technology and equipment to create nutritious, delicious noodles, tailored to customer and market demands. Quality is our priority, with rigorous testing of all our new technology products before delivery.

The renowned "Liji" brand, established through three generations' effort, upholds a robust foundation for ongoing growth. Our unique production technology allows us to provide high-quality products, professional services, and competitive pricing, earning us a solid reputation among customers.
